Reissue Application

Applicants have not offered to surrender original Patent. The original ribboned copy of the patent must be surrendered prior to allowance. The original patent, or a statement as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178. The prosecution can be expedited if the applicants submit the original patent with the next communication.

Defective Reissue Oath/Declaration

The reissue oath/declaration filed with this application is defective because it fails to identify at least one error, which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

Claims 1-73 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

Recapture

Claims 1-73 are rejected under 35 U.S.C. 251 as being improperly broadened in a reissue application made and sworn to by the assignee and not the patentee. A claim is broader in scope than the original claims if it contains within its scope any conceivable product or process which would have infringed the original patent. A claim

Art Unit: 2672

is broadened if it is broader in any one respect even though it may be narrower in other respects.
